

**WESTBURY CENTER OF MCDONOUGH  
FOR NURSING AND HEALING**

# **Welcome to Westbury Center of McDonough**

where your road to recovery begins.

Here we treat you/your loved ones like they are part of the family. Our goal is that you will heal and thrive at our facility which is run in accordance with the highest healthcare standards nationwide.

## **Here are some things you should know:**

### **If you are COVID positive**

You will remain in our COVID+ unit for the next 10 days. You will be assessed and monitored for signs, symptoms or complications of COVID, etc. At the end of these 10 days, you will be moved to another section of our Center.

### **If you are going to the PUI unit**

You will be tested on day 1, day 4, day 9 and day 14. During these 14 days, we'll monitor and assess you for COVID symptoms at each shift.

Your physician and/or nurse practitioner will be in within the first 24-72 hours to give you a full workup on your plan of care.

Discharge to other sections of our Center or to one of our other long-term care centers will be determined by your progress during these 2 weeks.

### **What to expect in the next few days**

You can expect a call within the next few days to set up a post- admission meeting, where you'll meet your care team and discuss your recovery goals.

### **If you want to reach the Administrator**

Contact Calvin Walker [CWalker@WestburyofMcDonough.com](mailto:CWalker@WestburyofMcDonough.com)

### **If you want to reach the Director of Rehabilitation**

Contact Shani Clark [sup.WBbMcDonough@TenderTouch](mailto:sup.WBbMcDonough@TenderTouch)
